

## **MNSAH 2020 Annual Meeting Postponed**

*March 18, 2020*

Due to COVID-19, general guidance at the state and national level, and our deep concern for all our members, the MNSAH Board of Directors has decided to postpone our annual meeting, which had been scheduled for April 15, 2020 at the Minnesota Humanities Center. Because it is uncertain if the event can be rescheduled anytime in the near future, we may consider rescheduling the annual meeting in the fall. The venue and program would remain the same, with the keynote presentation featuring our award-winning Minnesota Modern Masters program along with the Gebhard Award ceremony. We'll be back in touch once a new date has been determined. The MNSAH Program Committee will contact you if you have already registered for the event.

The Program Committee will also be working on our regularly scheduled events so we're all set to resume the tours that we know you appreciate as soon as circumstances permit.

In the meantime, if you're at home and would like an architectural experience to enliven your day, we encourage you to explore MNSAH's video interviews with Minnesota's Modern Masters at <http://www.mnsah.org/programs/modern-masters>.
